MEMORANDUM FOR: Deputy Director for Legislation  
Office of Congressional Affairs

FROM: Royal E. Elmendorf  
Director of Personnel

SUBJECT: First Draft - Intelligence Authorization Act (IAA)  
For FY 1990

1. As you requested, we have reviewed the first draft of the "Intelligence Authorization Act for FY 1990."
2. We intend to submit legislation in three areas:
  - a. To amend the CIA Retirement Act (CIARDS) to state that an employee must be in an active status one out of the last two years prior to retirement. (Attachment A)
  - b. To amend the Federal Employees Retirement System (FERS) Act to allow Agency employees who are covered under the FERS Special Category to waive the unhealthful post differential and instead receive extra retirement credit for the period of time served at such post. (Attachment B)
  - c. To amend CIARDS to clarify that when a former spouse is eligible to receive survivor benefits under Section 224, this entitlement shall supersede and replace any survivor benefit the former spouse may be eligible to receive under Section 232(b). (Attachment C)
3. We also propose to amend CIARDS and the FERS Act - Special Category to change from five years to three years the period of qualifying service required for personnel to retire. We also propose to amend spousal legislation to show a similar change. Both of these proposals are presently awaiting Director of Central Intelligence approval and we would wish to hold up forwarding this legislation outside the Agency until approval is obtained. (Attachment D)
4. Draft legislation, a section analysis and a cost analysis for each of the above is attached.

 Royal E. Elmendorf
